Dear Club Members.

I want to thank you very much for a letter I received from you dated Dec. 8. It sure was interesting to me to read about my class mates and their whereabouts. I am sorry that I cannot tell you where I am but they will not let us. I received a package from you in North Africa and it sure was appreciated. We sure are handicapped for stuff over here and those packages you send out are looked upon as a Xmas present all in its own. Mail is a long time in getting here but they are worth their worth in gold when we do get them. I am wishing you all the luck in the world and many thanks from me for your letter.

S. Hindquist
